

JANUARY 25 TO 28, 2018 & FEBRUARY 1 TO 4, 2018
Whyte Avenue & Gateway Blvd, Edmonton, Alberta

The Boardwalk Ice on Whyte Festival showcases internationally acclaimed, professional ice carvings, and is one of only 3 Professional Ice Carving Competitions in Canada.

The skill and experience these artists bring to this art-form is unparalleled and we are privileged to present the beauty and wonderment offered by this art-form.

NEW! The 2018 International Ice Carving Competition takes place in a giant tent that will keep the carvings in pristine condition for visitors to enjoy through to the end of the Festival on February 4.

The Boardwalk Ice on Whyte Festival also features an Ice Bar that serves up locally brewed and distilled beverages.

Bring out your inner ice carver at the L'il and Big Chipper Ice Carving Lessons offered on Saturdays and Sundays.

Tickets go on sale December 15, 2017. For more information visit www.iceonwhyte.ca
